Subject: Letter of Recommendation – Proline Roofing

To Whom It May Concern:

Please accept this letter of recommendation for Proline Roofing. Proline Roofing recently installed a new torch-on membrane on our roof at 818 Broughton St.

Proline delivered on time and to the agreed specifications. The pre-project communication with Mauricio Reyes was very professional. He took the time to explain and offered 3 different solutions/quotes to our company.

As a result of the above comments Proline was the successful bid for the job not only for price but also for their upfront professionalism and communication provided. It is with pleasure that I recommend Proline Roofing.

Please feel free to call me directly if you would like additional information regarding Black Press Vancouver Island's business experience with Proline Roofing.

Thanks very much,
