RE: Kinetic Construction Ltd. 2011 Auction for the United Way & Golf Tournament

Dear Alex,

On behalf of all our employees, thank you for your generous prize donation to Kinetic Construction's annual golf tournament and auction.

The purpose of the prize auction is to fundraise for the United Way but it is also a chance to have fun. Because of you, we succeeded on both counts. We were truly overwhelmed by the donations this year and after our employees' contribution was matched by Kinetic, we will be donating nearly **\$17,000 to the United Way!**

The auction is not possible without your donation and support. Our employees look forward to this event yearly and you make it possible. Once again, thank you.

Sincerely,
KINETIC CONSTRUCTION LTD.
